

Tranquility Bay VACATIONS

Welcome to Tranquility Bay Beach Retreat. Located on the pristine white sand beach of Trujillo, Tranquility Bay is an enchanting and relaxing place that you can't help but fall in love with.

On-site activities include ocean kayaking, stand-up paddle boards, windsurfing, kiteboarding and snorkeling. Visit some of the historical sites dating back to the days when Christopher Columbus arrived in Trujillo, hike through the lush tropical rainforest or simply stroll down the beach as the sun envelopes you.

Stay in one of five spacious cabana's and enjoy home-made Honduran and North American cuisine prepared daily by our certified cooks. Fresh from the sea succulent seafood, farm raised meat, hand-picked fruits and vegetables are the only ingredients used in our kitchen.

We offer you private air service with our Piper Navajo Chieftain that makes arrival into Trujillo from either San Pedro Sula, La Ceiba or Roatan fast and enjoyable.
